

Sec. 47-69. Potable water bills; charge for late payment

(b) Notwithstanding the provisions of subsection (a), late charges shall not apply to governmental customers (unless provided by contract) and exempt senior customers or persons with a disability who meet the requirements for recipients of the city's W.A.T.E.R. Fund as provided in chapter 36 of this Code.

As used in this subsection, the term "governmental customer" means the United States, the city, and the state including its agencies and political subdivisions. As used in this subsection, the term "exempt senior customer" means any customer who:

- (1) Is at least 60 years old;
- (2) Is a residential customer occupying the entire premises for which exempt senior customer status is requested; and
- (3) Has filed with the department an application for exempt senior customer status using the form prescribed by the director.
